Dear Mr. Casey,

I hope that you will be able to help me. It has been over one year since I completed my application with your agency. I sent in my application during the month of April 1984 and since then I didn't receive a word from your personnel office regarding status of my application.

So please could you check present status of my application or do I have to send a new one. I feel very qualified to work for your agency.

Please let me know at your earliest convenience about your agency decision in my case

Sincerely
